MANAGE TIME & ATTENDANCE THE SMART WAY

Presenting

InTym

Powered by **Honeywell**

Efficient Time & Attendance | Agile Workforce

SAFETY THAT COMES WITH HONEYWELL

- A stringent assurance to keep your data safe and secure in Honeywell cloud under Honeywell global policy. A hundred percent data security!
- A software available on the go which saves software installation time and no dependency on server/system pre-requisites.

ON THE CLOUD ADVANTAGES

- One of the most important activities of any organization is accurate and on time payroll generation. Honeywell's InTym, a cloud based 'Time and Attendance' software, gives realtime accurate data ensuring productivity and efficiency of your organization.
- No dedicated system is required for application installation which makes it cost effective and profitable.

MINIMAL TRAINING

- InTym requires minimal expertise to connect devices with the software.
- With quick user enrollment, realtime sync with the software, and fast device integration; it ensures increased productivity of your organization.

MANAGE TIME-ATTENDANCE

InTym lets you customize the time-attendance policies according to the structure, hierarchy and operational requirements of your company.

INTUITIVE DASHBOARDS

From data upload to finding requisite information that further leads to critical decision-making process by your company, InTym offers an insightful dashboard.

ADVANCED REPORT CREATION

With InTym users can create smart custom made reports where one can select required fields and export necessary data in the requisite formats such as .xls, .csv, or .txt, etc.

LEAVE MANAGEMENT

InTym offers customizable options for different leave policies along with reporting and tracking leave application status according to your company's requirement.

QUICK INTEGRATION

With incredible time efficiency, InTym is plug and play software, which integrates devices with minimal training.

DEVICE SUPPORT

Currently interfaced with HON-BIO series where model numbers are - 500TA, 5000TA and 3000WK.

EMPLOYEE SELF SERVICE

You can request for OD, leave, attendance regularization directly with the help of InTym.

SHIFT MANAGEMENT

InTym makes it very easy to do effective shift management as well as to schedule multiple shifts.
