DISTRIBUTION BOARDS RANGE

Rationalizing the power supply from your utilities supplier into distributed energy for secondary circuits like plugs, lighting, and other modern conveniences, requires uncompromising safety and reliability. IMPACT by Honeywell Distribution Boards deliver the consistent performance it takes to manage and divide the main electrical supply to residential and commercial properties, into safe and usable power.

IMPACT by Honeywell Distribution Boards ensure seamless and uninterrupted energy to power your property, with a combination of usability, aesthetics, protection, and performance.

#ORGANIZEDPOWER

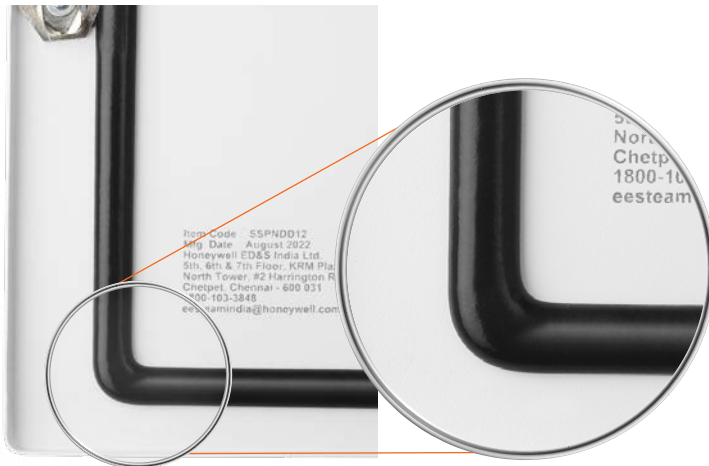

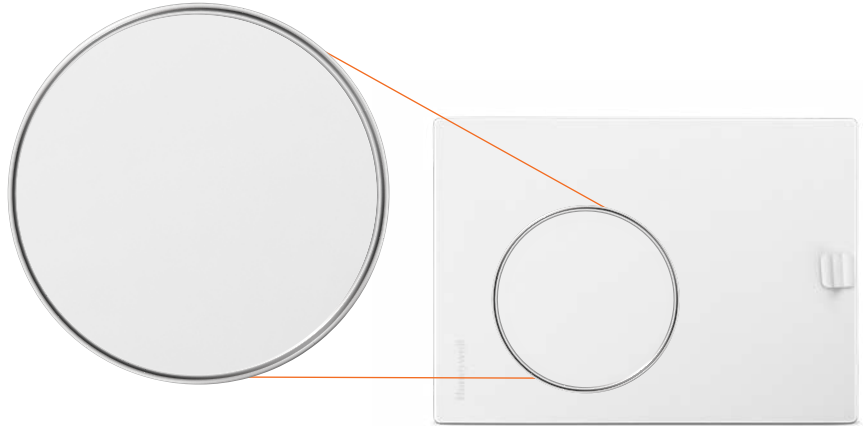

DISTRIBUTION BOARDS RANGE KEY FEATURES

Collarless Design, Matte Finish, Jay White Colour

The IMPACT by Honeywell Distribution Boards range owes its premium contemporary looks to a combination of its matte finish, collarless design, and Jay White colour, which complement modern interior design aesthetics.

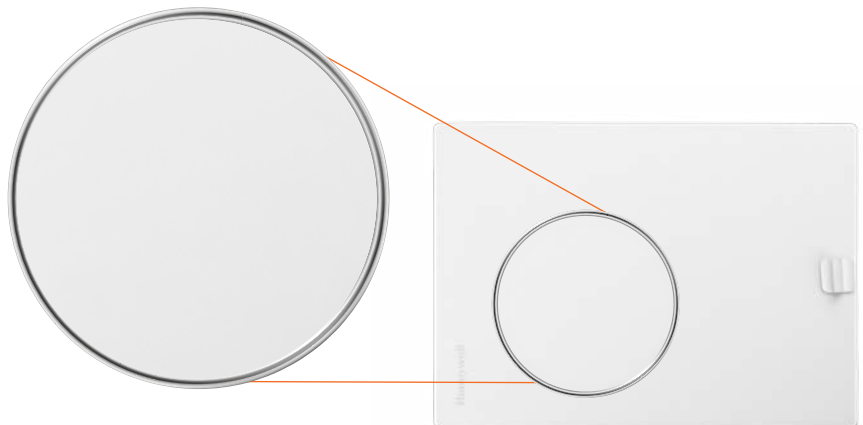

IP43 with PU Gasket

The long lasting Pu Gaskets of the IMPACT by Honeywell Distribution Boards range give it an IP43 rating, which certifies that the products are protected from tools and wires greater than 1 mm, and from water sprays less than 60 degrees from the vertical.

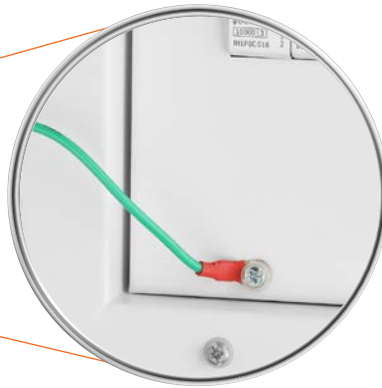

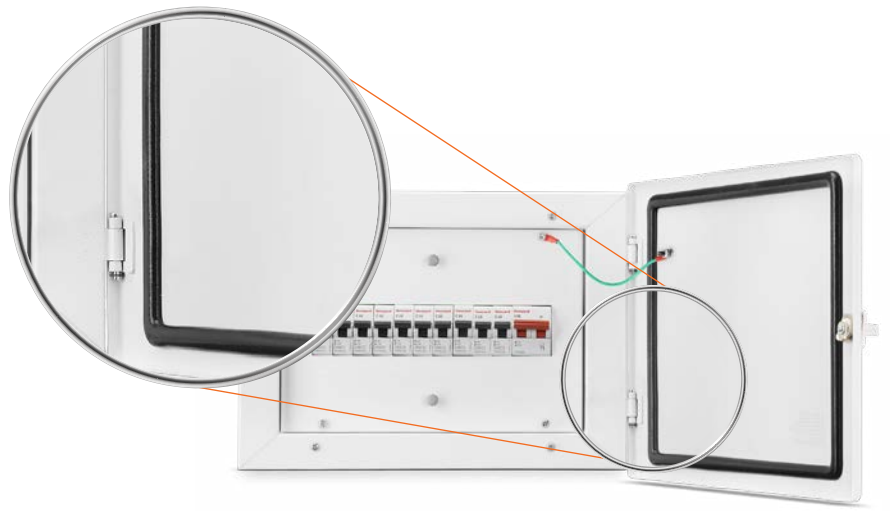

IK10 Rating

Impact Resistance of the IMPACT by Honeywell Distribution Boards range is rated IK10, which ensures complete protection of any devices installed inside within them against 20 joules of impact (the equivalent to the impact of a 5kg mass dropped from 400mm above the impacted surface).

Door Reversibility

The IMPACT by Honeywell Distribution Boards range is fitted with reversible doors, which enables flexibility of access to overcome any limitations imposed by the site where they are located.

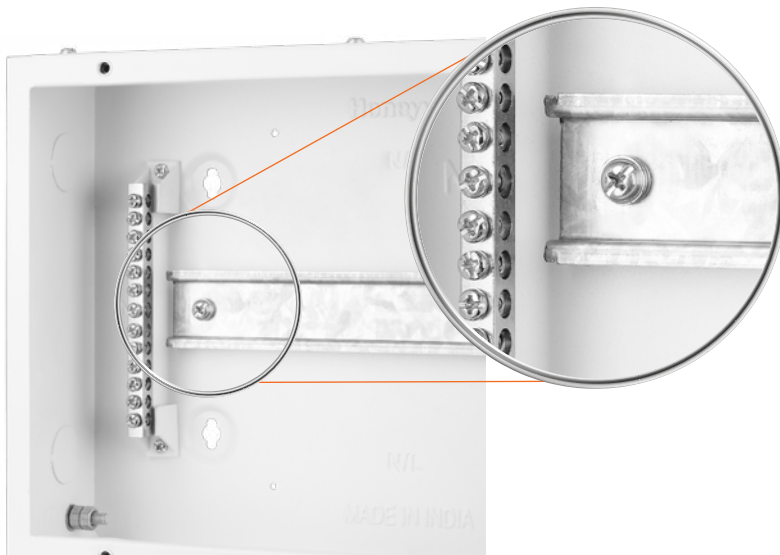

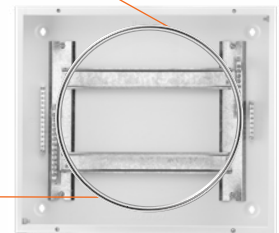

Front Door Earthing

With completely reliable and effective earthing of the front doors IMPACT by Honeywell Distribution Boards range, any untrained amateurs in contact with them are provided total protection from the threat of electric shocks.

PAN Assembly

The IMPACT by Honeywell Distribution Boards range features Pan Assembly, designed for hassle-free maintenance and installation efficiency. With the unique ability to dismount and mount MCBs without obstruction, internal wiring becomes effortless. Saves time and enhances convenience allowing all MCBs to be easily removed in one swift motion.

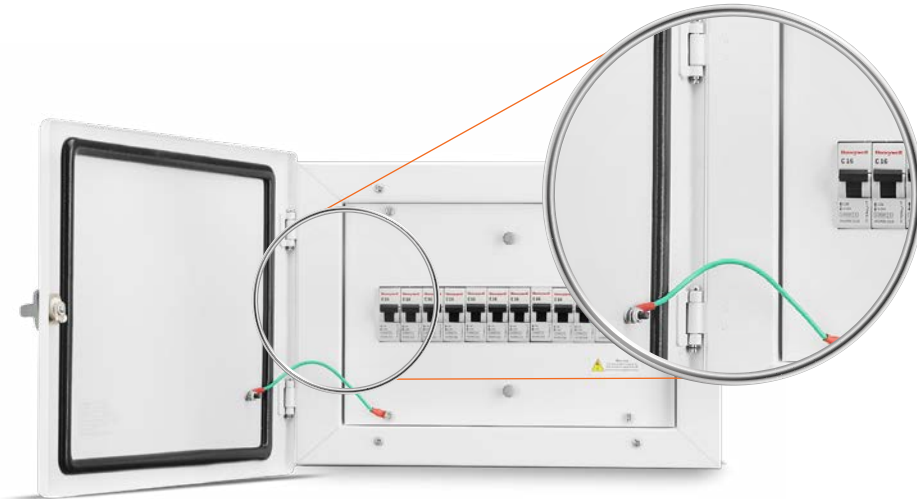

Wiring Space

The IMPACT by Honeywell Distribution Boards range feature Neutral Links, placed on the sides of a DIN Rail, which ensures that there is always an ample amount of wiring space available.

MCB Stopper

The IMPACT by Honeywell Distribution Boards range features MCB stoppers on the side of a DIN rail. These stoppers provide support to devices and prevent them from falling off.

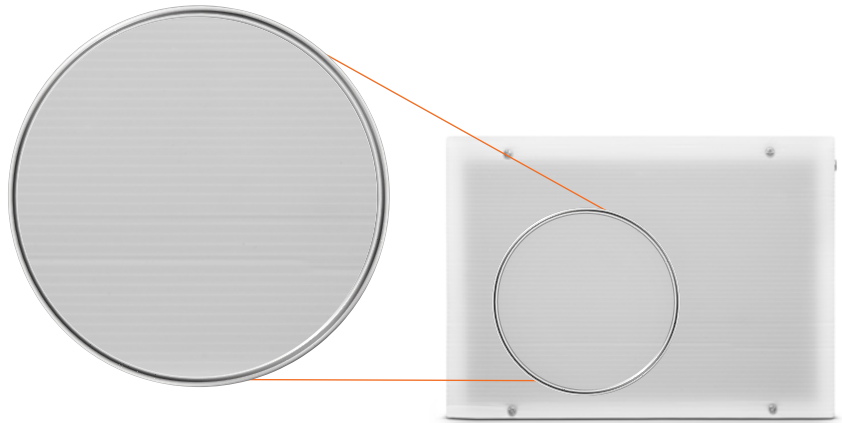

Wide Door Opening

The IMPACT by Honeywell Distribution Boards range features a wide Door opening to ensure easy access for ease of maintenance.

Cement Mask

The IMPACT by Honeywell Distribution Boards range features effective protection against the influence of cement, dust & water during and post installation of box, to minimize any damage to devices and components.

Item Code : IHSPNDD006
Mfg. Date : August 2022
Honeywell ED&S India Ltd.
5th, 6th & 7th Floor, KRM Plaza,
North Tower, #2 Harrington Road,
Chetpet, Chennai - 600 031
1800-103-3848
eesteamindia@honeywell.com

Laser Printing

The IMPACT by Honeywell Distribution Boards range features laser printed details, which ensure that any crucial information required for maintenance and operation is available, for the entire life span of the product.

The IMPACT by Honeywell Distribution Boards range features modular design elements, effective earthing, effective isolation of phases, and ample space for additional wiring, easy maintenance, and installation of devices.
